It seems that one local businessman has found that his 15-month old colt is changing the horse's approach to water.

It used to be the saying: "You can't lead a horse to water!" But Earle Pearson's colt does not need leading. He calls. During a recent dry spell the colt was especially thirsty, says Pearson.

Mrs. Perry Holder, whose home is nearby the field where the colt is pastured, one day recently was watering her lawn. The horse came up to a fence and whinnied for a drink. Mrs. Holder squirted some water from a hose into the colt's mouth. He drank.

Later, Pearson says, his colt would come up to the fence, whinny, and take the nozzle of the hose in his mouth after the water had been turned on. Then the colt, charged with his heart's content!

ONLY COMMENT: These modern horses!

We are always coming forth with anecdotes and sayings about this and that. There are many favorites. But one remark is attributed to the late auto inventor, Henry Ford.

When asked once what he felt had contributed to his legendary success in building and mass-producing the Ford automobile, he said:

"Don't find a fault, find a remedy."

Simple instructions they are, but how effectively they worked for Ford. He was a man of few words and many extraordinary deeds.

City Leaders View Cameron Armory

The new National Guard Armory under construction here was inspected by a group of Cameron and Milam County business leaders on Monday afternoon when they made a visit to the site of the \$110,000 project.

The group included Mayor Bassel Wilson, Oxsheer Smith, Hilliard Thomas, Lester Williams, Capt. James T. Terry, CWO Eugene Mees, Wayne Wieser, Councilmen Lincoln Mondrik, Richard Moseley, Hayden Lawrence and

Sam Houston.

They viewed construction work by contractor, Coffield Construction Co., Rockdale.

The group made a survey of the entire project, which is in the foundation stage of construction. The foundations are about two-thirds completed. Of reinforced concrete, they are supported by pilings or piers approximately two feet in diameter and sunk 22 feet deep into the ground.

Completion of the new Armory will mark the culmination of almost 10 years of effort by citizens of the area. The Cameron Chamber of Commerce spearheaded a drive in 1948-49 for funds from business firms and individuals to purchase the 20-acre tract of land on which the Armory would be located.

The Federal Government then allocated approximately \$45,000 for construction of the present structure used as an armory by Milam County's National Guard unit, Battery C, 64th Anti-aircraft Artillery Battalion.

The new Armory will cost slightly over \$110,000 when completed with sidewalks, a large black-top parking area for automobiles, and a flagpole.

Capt. James T. Terry, Battery C's commanding officer, said that while the Armory was for use by the Guard unit, it also could be used by civic groups in the area for such things as poultry shows and public gatherings.

New Grade Students May Register At AHS On August 21-22

New students planning to enter Ben Milam and Ada Henderson schools may register in the Ada Henderson building August 21 and 22 during the hours of 9 to 12, according to Principal Leon Brady.

Students who are considered to be one that was not enrolled in the above schools at the close of school last May, Brady said. First-grade children that did not register last May may do so on the above dates. A birth certificate and a certificate of immunization are required before a child can be enrolled in the first grade, he pointed out.

No students will be registered on the first day of school.

ASC Panel Names Community Boards

A four-member county election board has named eight community election boards for an Agricultural, Stabilization and Conservation vote this fall.

ASC officials named to the county committee J. D. Moore, county agent; Roy Wright, Farmers Home Administration; Wayne Mann, Soil Conservation Service supervisor; and O. G. Tumlinson, president of the Milam County Farm Bureau.

Officials said the county board selected three-member panels for eight communities in Milam County which in turn will name a slate of 10 eligible farmers to appear on ballots.

The ASC election will be held later this year, officials said.

Members of community election boards and communities included are:

CLARKSON—Ben Arnold, Burlington, Clarkson, Briary and

Baileyville—Bartle Crenan, Jim H. Majors and John P. Wimberly. MAYSFIELD — Jones Prairie, Branchville, and Maysfield—H. M. Yager, Charles E. Hensley, and W. B. Burnett.

MILANO—Hanover, Gause and Milano—Henry Woods, J. T. Todd and Claude White.

ROCKDALE — Bushdale and Rockdale—Otto Seifick, H. L. Walker and Pete Keen.

THORNDALE—San Gabriel and Thornsdale—D. B. Conn, Herbert Heine and Otto B. Lehmann.

SHARP — Davilla, Tracy and Sharp — Charlie Duncan, Guido Gerschbach and Jim Barlett.

BUCKHOLTS — Corinth, Bryant Station and Buckholts—R. P. Lehmann, Henry Vaculin and E. J. Kuzel.

CAMERON—Yarrelton, Marlow, Minerva, Salem and Cameron—Ed O. Pagel, Sam Brewer and Eddie June.

Officials Seek Hit-Run Driver; Milam Boy Killed

Area authorities today were still seeking a hit-and-run driver who struck and killed a 15-year-old Negro boy early Sunday on FM 487 near Davilla.

Leroy Neely, son of Mr. and Mrs. Elmo Neely, was found in the roadway about 4 a.m. Sunday by Mrs. Robert Kalkbrenner, Pettibone.

Sheriff Carl Black told The Herald that the youth had accompanied his father and an uncle, Lell Mays, to Cameron Saturday night. The trio started home about 12:30 a.m., Black said.

The group ran out of gas between Sharp and Davilla and the three men decided to sleep in the car until daylight, Black was told. Black said the youth apparently decided to walk home and was struck about three miles down the road. The body was badly mangled and had been dragged about 75 feet, Black noted.

The Milam County sheriff said he found no evidence of the make or color of the vehicle that struck the boy.

Cub Scout Pack To Organize For New Scout Year

Cub scout pack 213 is organizing for the scout year, according to E. O. Schiller, Jr., leader.

Schiller invited all parents of boys who are now 8 years old, or will be 8 before September 15 and are interested in cub scouting, check with him at the Schiller Drug.

The boys forming last years pack 213 recently spent a day at Camp Tahuaya where they enjoyed hiking, swimming, and nature study. Accompanying them were assistant cubmaster, Rev. Richard Bradshaw, and denmothers: Mrs. Richard Bradshaw, Mrs. Donald Glass, Mrs. Melvin Dornier, and Mrs. E. O. Schiller, Jr.

K of C Expecting Big Picnic Crowd In City Sunday

Members of the Cameron Knights of Columbus are preparing for a big turnout Sunday at the eighth annual public picnic at the K of C Hall, Cameron.

Chairman Paul Sheguit told The Herald that arrangements are being made to handle a crowd of 1,000 or more for the picnic starting about 4 p.m. Sunday.

The picnic last year drew more than 1,200 people from Cameron and vicinity.

Activities will begin about 2 p.m. Sheguit said, with games for the kids and the whole family.

Co-chairman John Gelfner said that a dance will climax the afternoon-long occasion at KC Hall. He said that the Vrazel Polka Boys will provide the music.

Sheguit said the menu includes barbecued chicken and country sausage.

"We expect another record turnout for our public picnic," he continued. "Last year we had what was probably a record crowd for the eight-year-old event."

The activity is generally rated one of the major picnic attractions of the year in Milam County, Gelfner noted.

"We especially invite the residents of Milam County to attend our picnic," Gelfner said.

MFB To Sponsor Picnic At Park

The Milam County Farm Bureau will sponsor a family picnic at Cameron City Park August 21 at 7 p.m.

Mrs. Bernice Charles, Farm Bureau program chairman, announced that the family picnic would be held in place of the regular monthly meeting.

The program will feature a film "Fight For Freedom," and recreation directed by Miss Alice Hughes and J. D. Moore.

Mrs. Charles emphasized that all members of Milam County Farm Bureau families and their friends were invited.

Teenagers Appeal Court Decision

Two Cameron youths were found guilty in city court Monday of disturbing the peace.

The teenagers were charged by Chief of Police Maynard Byers after they were found one night recently at the Municipal swimming pool which had closed for the evening.

Following the decision in city court, the boys attorney served notice of appeal to the county court.

M-G-M Checks City For Site

Cameron's picturesque courthouse and its Central Texas terrain may be subject matter for a major movie this fall.

The location manager for Metro-Goldwyn-Mayer Pictures, largest film company in the world, has inquired about Cameron as a possible site for a motion picture.

County Clerk Homer Nabours received a recent request from Howard W. Horton, M-G-M location manager, for descriptions and pictures of Cameron and vicinity.

Chamber of Commerce officials have forwarded pictures of the Milam County Courthouse, some large Cameron houses and the

Run-Off August 23

Final Primary Due

Milam voters in most of the county will have only one race to vote on in the August 23 run-off primary while Commissioner Precinct 2 voters will also choose a Democratic candidate.

Max McClaren, county Democratic chairman, said that three races will be voted on in Justice Precinct No. 1.

Voters there will decide the party nominee for justice of peace from run-off candidates Judge B. G. Rice and Gus Evans, Sr. Rice is incumbent in the race.

Candidates for Precinct 2 commissioner are LaVert C. "Bert" McKinney and Robert Weems. McKinney led the five-way ticket in the July 26 primary with Weems trailing by 300 votes.

The only race to be voted on throughout the county will be for associate justice of the State Supreme Court, Place 1. Run-off candidates are J. Edwin Smith and Robert W. Hamilton. It is the only state-wide runoff election race.

Absentee balloting has been light. County clerk officials said that 48 had voted or applied for absentee voting up to Wednesday. Absentee balloting closes Tuesday, August 19.

Voters in Commissioner Precinct 1, 3 and 4 will vote only on the state race.

McClaren anticipates a light total county vote, but expects a heavier vote in the Cameron area precincts where the two races are to be decided.

Some counties will not have a runoff election because none but the associate justice's race is on the ballot.

The July 26 primary drew one of the heaviest non-presidential turnouts in county history. A total of 5,946 votes were counted while only 4,527 voters had paid poll taxes.

Jaycees Planning Bellville Grid Train

The Cameron Junior Chamber of Commerce Monday began plans for a 1958 football train to Bellville October 10, according to Jaycee President Bill Crockett.

He said that correspondence with rail officials indicated that arrangements could be worked out for the Jaycees third football train in the past five years.

The Cameron civic organization sponsored a 14-car train to Brenham last September.

The train was a success, and the 700 Cameron football fans to the game. A Jaycee football train went to Killen about two years before.

Committee Set

Crockett appointed a committee to determine exact cost of the trip per person and recommended that work begin immediately on the project.

A 10-man delegation from the Waco Junior Chamber visited the Cameron club at the regular meeting.

"We selected Bellville as the game for our football train," said Crockett, "because it is the only game away that is the proper distance for a trip from and back to Cameron in the same evening."

Jaycees were to meet with the Cameron school board Wednesday night for tentative approval from school officials to take the band on the trip.

Meanwhile Jaycees were completing another project with final coats of paint on their new "Welcome to Cameron" signs that will be going up in the near future.

No Slogan Winner Yet

No winner was yet announced for the slogan contest, though one slogan had taken a lead in the contest. Crockett said that a final vote will be taken this week and the winner announced.

The trio of 6 X 12 signs will be erected at the major road entrances of Cameron, Crockett noted. Project chairmen are Robert Zarosky and John Schigut.

Jaycees will be organizing the Bellville train for the October 10 trip. Bellville is south of Brenham about 20 miles and is on the same Santa Fe route taken to Brenham.

"Mark your calendar for the Jaycee train," Crockett asked.

"October 10 is the day when Cameron goes to Bellville to see the Yoemen play their sixth game."

Driver Undergoes Surgery In City After Car Burns

A Negro airman was in the operating room of a local hospital at presstime following a one-car collision north of Rosebud early Wednesday that fatally injured his 4 year-old sister.

Dead was the 4-year-old sister of Frankie Rendle, 19. Her first name was unavailable at presstime.

Six other survivors were in a Rosebud hospital.

Injured were Rendle, an airman stationed at Bartlesville, Okla., and six members of the Rendle family, all passengers in Rendle's car.

Rendle clipped a road sign three miles north of Rosebud on US 77 at Cottonwood Creek bridge, careened off the bridge abutments and plummeted into flaming wreckage in the creek.

State Highway Patrol investigators said the car never rolled over. It burned after landing in the creek bed.

Officials said Rendle apparently dozed off and lost control of the vehicle. The accident occurred 4 a.m. Wednesday.

Local hospital authorities said Rendle suffered numerous broken bones and other injuries. He was not on the critical list.

The 4-year-old child miraculously was the only fatality, officials said.

Condition of the other six members of the Rendle family was believed fair.

Rendle's family lives in Elk City, Okla.

All Star Team Lists

Two Cameron Players

The Cameron Merchants who finished in a tie for third and 4th place with Pendleton placed on the cent-tex league all-star baseball team.

J. D. Cook made the first team as a utility outfielder and Jimmy Rettig made the second team as utility man. Rettig was catcher for the Merchants.

Hurricane Fence of Temple was the number one team in the league posting a 12-2 record. Killen was second with a 10-4 record and Cameron and Pendleton tied for third with a 9-4 record.

Pendleton swept a double from Westphalia Sunday to clinch a berth in the cent-tex league playoffs. The Cameron team is coached by player-manager Johnny Florida and assisted by first baseman Richard Wilkinson. The team is sponsored by merchants of Cameron.

If you want name brand parts for any kind of automobile, truck or tractor, come to Cameron Auto Supply, 101 E. Main St., Cameron.

That's the invitation extended by Allen Dodson and Jerry Mikula, partners in this independent auto parts business.

Mikula and Dodson's staff includes George Pool and Melvin Provasek, skilled specialists in auto parts and repairs.

A specialty this time of year is motor and general repair of power lawn mowers in our shop, Dodson says.

And it's no idle claim Cameron Auto Supply makes. The list of name brand parts reads like a who's who of auto accessories and parts equipment.

Dodson points with pride to an operation that provides a complete parts stock and fast, efficient service.

Wide Selection

If you want recognized parts eq-

uipment, here are some names you will find at Cameron Auto Supply Co.

Spark plugs by AC, Champion, and Auto Lite.

Oil Filter cartridges by Fram, AC, and Hastings.

Mufflers and tailpipes by Walker. Fuel pumps by AC, Airtex and Carter.

Bearings by Timken, Hyatt and New Departure.

And other parts brands include carburetors and pumps by Carter, a complete line of Auto-Lite and Standard ignition parts and Hastings, Perfect Circle, McQuay-Norris and Ramco piston rings.

"Our customers can depend on auto parts such as Gates fan belts we stock for all cars, trucks and power equipment," Dodson emphasizes. "And they will find a complete line of McQuay-Norris replacement parts."

Factory Dealers

"We are factory service dealers

for Briggs & Stratton, Clinton Lawn Boy and Power Products, two and four-cycle engines," Dodson continues. "All these are recognized for quality and performance in the auto business."

Cameron Auto maintains stocks of replacement parts for all these engines, he says.

In the auto accessories field, Dodson points out, we have Shaker, Resilone and Canite brands. In fact, we have tire tools, gas cans, funnels or any thing you might need, he continues.

"And we have a good repair department to provide our customers with quick, efficient service," he says.

"We believe that Cameron Auto Supply Co. can meet any requirements in the auto parts field. We can give honest, dependable service because we know our business," Dodson concludes.

With Phillips 66 Mack's Oil Co. Offers Variety, Of Road Service

Mack's Oil Company, on US 77, Cameron, has a variety of auto services and competent staff of eight to carry out a complete auto treatment with Phillips 66 products.

A. W. McCullin, owner of Mack's Oil Co., which has two other retail outlets in Rockdale and Caldwell, features the best in service and name products for his customers automobiles.

McCullin, also Phillips petroleum distributor in Milam, Burleson and Lee Counties, knows that top-notch service is what customers want. And that is what they get at his Cameron service station.

His Cameron station features Phillips petroleum products including diesel fuel, motor oils and gasoline. He also sells Lee tires, the famous Gates belts, Purolator oil filters and Champion spark-plugs, all well-known brand items.

"You will find the complete service in Mack's 66 in Cameron," McCullin says. "And the same efficient, courteous Phillips 66 service awaits you at the Rockdale and Caldwell stations."

A versatile man in petroleum products and public service, McCullin also buys and sells crude oil in the Minerva field in Milam County. In fact, he points out that he began working in the oil business in Minerva in 1931, moving to Cameron in 1939.

His firm specializes in diesel and heavy oils and operates in 29 counties. His main office is in Cameron, McCullin says.

McCullin provides equally efficient service and sales at his retail outlets.

McCullin moved to Cameron in 1939 where his operation has grown steadily ever since.

The alert Cameron businessman has been as active in civic work as in his profession.

He has served as district lay leader of the Bryan Conference of First Methodist Church, chairman of the Finance Committee of the First Methodist Church, the district board of missions, member of the Texas Methodist Conference Planning Commission, member of the Texas Oil Jobbers and past director, and member of the Texas Motor Transportation Association and director of the safety committee.

Local Shows Better Than Ever Manager Billy Peck Points Out

Movies at your Cameron theatres are better than ever, says Billy Peck, manager of the Milam and 77 Drive-In Theatres in Cameron.

"If you want first rate movie entertainment," Peck points out, "you will find more first-run pictures than ever at the downtown Milam Theatre."

Headliners

Headline-winning features coming up at the Milam Theatre include "Peter Pan" August 15-16, Glenn Ford and Red Buttons in "Imitation General" August 17-18, James Stewart and Kim Novak co-starring "Vertigo" August 22-25. A midnite preview "Hot Rod Girl" is also scheduled for 11 p.m. August 29.

Peck emphasizes that these top entertainment films represent typical movie fare at Cameron's downtown Milam Theatre where the finest in refreshments and popcorn are available to all moviegoers. And, of course, the Milam

Theatre is completely air conditioned for your comfort.

Peck points out that the 77-Drive In offers exceptional wide-screen entertainment for only 50 cents per adult and children under 12 admitted free when accompanying parents.

Coming up at the 77-Drive In are such hits as academy award winning "From Here To Eternity" which is scheduled to run August 17-18, "Farewell To Arms" August 19-20-21. A Sunday night feature will be "Pride And The Passion" August 24-25.

The Milam and 77 Drive-In both have good facilities with fine sound systems and wide-screens.

The 77 Drive-In screen has been seating capacity for several hundred viewers.

The 77 Drive-In screen has been completely rebuilt in the past year.

11-Year Veteran

Peck is a 11-year veteran with the two Cameron theatres, owned by Cameron Theatres, Inc. He

became manager of the Cameron theatres last July, succeeding Dean White.

He is a native Cameronte and graduated from Yoe High School. He attended Sam Houston State College and Southwest State Teachers College, San Marcos, for one and one-half years.

Peck started ushering at the Milam and then moved to a projectionist position. He is married and has one son, Michael, 1. The Pecks live at 1790 N. Hoover.

He served 19 months in the Navy medical corps during World War II.

"The personnel and management of both theatres strive to give our customers the utmost in movie entertainment for their money," Peck adds.

"Be sure to see one of these movies coming up," Peck says. "They will prove that movies are better than ever."

MRS. ROBERT J. JOHNSON

Miss Nita Nabours Weds Mr. Johnson

Miss Nita Nabours and Mr. Robert J. Johnson were married Friday afternoon at four o'clock in the First Methodist Church. The Rev. Ernest J. Davis performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Charlie Nabours and the granddaughter of Mr. and Mrs. Jay Nabours, Cameron, and Mrs. T. G. Neason of Thornton. The bridegroom is the son of Mr. and Mrs. W. G. Johnson of Charlotte and the grandson of Mr. and Mrs. George B. Reeger of Seguin.

For her wedding the bride chose a white Italian knit suit with a white feathered chapeau. She carried her mother's white Bible with a white orchid surrounded by feathered carnations.

Attendants in Blue
Miss Mary Devall of Hallettsville, a college classmate of the bride, was maid of honor and Miss Nan Hubert was bridesmaid. They were dressed identically in blue blouses with matching hats and carried bouquets of white split carnations.

Bobby Henry of Woodsboro served as best man. Groomsman and

ushers were Tommy Martin of Woodsboro, Don Hutson and Kenneth Carter of Austin.

At the reception which followed in the parlors of the church the refreshment table was laid with a white Italian cutwork cloth over blue, the bride's chosen colors. A three tiered cake trimmed with blue net and topped with a miniature bride and groom was placed on a mirror.

Mrs. Robert Claypool served the cake and Miss Ann Wimberly presided at the punch service. Mrs. Clifford Angell, Jr. registered the guests in the bride's book.

The bride is a graduate of Yoe High School and is a graduate student at Southwest Texas State Teachers College in San Marcos. Her major is elementary education and she plans to teach in the Port O'Connor school this fall. The bridegroom is a graduate of Charlotte High school and is a student at SWTSTC.

Following a wedding trip to the coast they will be at home in Seguin.

Harold Pressley, Bride Leave For Three Week Trip

Miss Helen Augusta Williams and Harold Brainard Pressley, Jr. were married at noon Saturday in the presence of family members and close friends at the home of his sister, Mrs. W. D. Jones, Dallas.

The couple's parents are Mrs. Nancy Helen Williams, Southern Pine, West Virginia, and Mr. and Mrs. H. B. Pressley, Cameron.

The Rev. Jerry Slusser, assistant pastor of Preston Hollow Presbyterian Church, officiated at the wedding. Attendants were Mrs. June McKinley and the groom's brother, Mr. John Howard Pressley, both of Dallas.

Mrs. Jones was hostess for a reception immediately following the ceremony.

After a three week wedding trip to San Francisco and Hawaii, the Pressleys will make their home in Dallas where Mr. Pressley is with the law firm of Locke and Purnell.

Dinner Party

Mrs. Williams and the bride-elect were hosts for a dinner honoring the wedding party and relatives Friday evening in Richardson. Among the out-of-town guests were Mr. and Mrs. H. B. Pressley, and Mrs. Lyle McDermott, Cameron, Mrs. Welton Smith, and Mr. and Mrs. Carl M. Smith of Austin.

Alcoa Announces Price Increase On Aluminum Pig

PITTSBURGH, Pa.—Aluminum Company of America announced today that it increased the price of basic aluminum pig by 7-10 cent per pound (seven-tenths of one cent per pound) effective August 1, bringing the new price to 4.7 cents per pound.

The company also said that the increase on basic aluminum pig will in general be accompanied by equivalent advances in the prices of alloy grades of pig, ingot, and aluminum mill products.

Alcoa pointed out that the price increases will only partially offset increased employment costs amounting to more than 19 cents per hour per man after August 1, as a result of 3-year labor agreements made in 1956 with unions representing Alcoa's workers. This increase in employment costs is in addition to a 5 cent cost-of-living adjustment which became effective last February 1.

The company emphasized that the price increase will only restore part of a 2 cent per pound reduction -- from 26 cents to 24 cents per pound -- in the price of primary aluminum pig that the company was forced to make last April 1, when the price of the metal fell in the world market.

Guests in the home of Mr. A. N. Green this week are his daughters, Mrs. A. J. Montgomery of Oklahoma City, and Miss Louise Green of Los Angeles, California.

Night Fishing Time

Outdoors In Texas

By Vern Sanford

Night fishing is right popular right now.

Such fishing always is best following prolonged hot weather.

One sure can't blame the fish for diving deep and staying down below, where the water is cool, especially when the sun shines so warmly overhead. They don't move around much during the day either. They prefer to stick close to the bottom and in deep water.

Exception is the lure of fast moving water just below a big dam. They can be found there most anytime.

Early morning and late evening is about the only daylight fishing time that pays off nowadays. But after dark -- man, you can make some big hauls in the right spots.

Shallow water at the entrance to a cove usually is an excellent area for real productive night fishing. There you seldom need to sink a minnow more than 20 or 30 feet, if that far. As always, fishing over "flats" is tops.

Some nighttime fishermen use sealed beam lights and submerge them slightly under water.

Undoubtedly you've done lots of night fishing. You go about it one way, your partner goes about it another way, and both of you catch fish. Here's the way we do it.

As soon as we get to our location and are anchored down, we flip our minnow bucket over the side of the boat. Then we attach lantern brackets to the other side of the boat, about the middle, and hook our lantern, already lit and brilliantly aglow, and direct the light onto the water.

Then we get our gear together.

For the most fun we use a fly rod with a special clamp which permits the use of a bait-casting reel. The fly rod is very flexible and gets more flight out of the fish.

Second choice: A flexible rod with an open face reel with ball. We fish with large minnows and

Before returning to New Orleans the Eunice visited Havana, Cuba.

bass right off the hook mighty easy.

Crappie fishing is done much the same way, except that the weight is on the bottom and the hooks are on leaders tied on a foot or two above. Often more than one leader and hook is used in crappie fishing.

We've learned too that if you want large fish, use a large hook. That calls for big minnows -- and big fish go for big minnows.

It's well to remember that in fishing for bass or crappie they won't hit hard. The tip of the rod barely moves. That's the time for you to pull up. Otherwise you'll find they are about the best bait stealers you ever encountered.

That suggests another reason why we like to use the fly rod -- it's lighter and more sensitive. You really can see the tip move! With a fly rod, a 1-0 hook, a light sinker, and a ten pound test line, you're due to have great fun night fishing.

LIVING COST UP 108%... AVERAGE PRICE PER KWH FOR ELECTRICITY DOWN 43%

Times change—and so do buying habits. But even if the careful customer no longer looks for flaws in the glaring light of day, he still looks for the best value money can buy.

We invite you to take a closer look at our "product" in the light of the continuing economy you get in the purchase of electricity.

Since 1936, the rising tide of living cost has gone up 108%. Yet, unlike the cost of most other necessities, electricity is actually cheaper than it was 22 years ago. The average cost of TP&L residential

electricity today is 43% less per kilowatt hour than in 1936.

We of TP&L have been able to keep the unit price of your electricity low through efficiencies and economies in operation and your increased use of service... and in spite of the continually rising cost of materials and labor in connection with carrying on our business.

Four Tier Veil
Her four-tiered veil of imported silk illusion fell from a half-hat of lace, silk and seed pearls. She carried a cascade bouquet of white happiness roses and smilax over a white velvet-covered heirloom Bible given to her paternal grandparents, Mr. and Mrs. T. S. Henderson, on their wedding day, December 10, 1884, by her great-great grandmother, Eleanor Henderson Lake. Worked into the bride's bouquet was the lace from her mother's wedding bouquet.

For good luck the bride wore a gold piece in each slipper that her mother wore in her wedding. She wore a white gold cross filled with chip diamonds, a gift from the groom, and heirloom diamond earrings, an engagement gift from the groom's parents.

Six Attendants
Miss Beverly Freeman of Cameron was maid of honor; Mrs. John Killgore of Rosebud, the groom's sister-in-law, was matron of honor; and bridesmaids were Miss Martha Beard of Hillsboro, cousin of the bride; Miss Jean Pepper of Dallas; Mrs. Bruce Wilson of San Antonio; and Mrs. Ronald Hudson of Ottawa, Illinois. They wore bouffant pink silk organza dresses with sabrina necklines. A wide band of white embroidered organza that formed the waistline tied in a flat bow in the back and streamers hung to the hemlines. Their coronets were of iridescent pink braid covered with short circular veils, and their bouquets were rose pink carnations.

John Killgore of Rosebud served his brother as best man. Groomsmen were John Burns Henderson, Jr., brother of the bride; Russ Butler of Austin; Bill Bain of Kerens, cousin of the groom; Randy Rogers of Dallas, and Wayne Fisher of Cameron. Ushers were Gilbert Shivers of Marshall; Charles Howrey of Corpus Christi, and John Culppepper, Jr. of College Station, cousin of the bride.

The bride's mother wore a rose champagne dress of raw silk and lace with matching hat and shoes. The groom's mother's dress was of sky blue lace with satin trim. Her shoes and lace hat were of the same color. Their corsages were of white carnations.

400 Register
Following the ceremony a reception was given at the home of the bride's parents, John Burns Henderson, Jr. greeted guests and Mr. and Mrs. Henderson, Mr. and Mrs. Killgore, the bride and groom and the bridesmaids formed the receiving line in the livingroom. More than 400 guests registered on the terrace at a table covered with pink taffeta and tulle which

MRS. JACK CROWLEY KILLGORE

held the bride's book decorated with wedding bells, ribbon and flowers. A Wagner music box played the wedding march as guests registered. Mrs. John Burns Henderson, Jr. presided at the register.

Hurricane lights outlined the lawn where pink and white flowers where pink and white flowers bloomed to carry out the bride's chosen wedding colors. The refreshment table was covered with pink taffeta and tulle and held a four-tiered cake on a large oval shaped reflector. Flanking the cake were flower-bedecked tables.

Mrs. Peter Wells of Beaumont, Mrs. Teal and Mrs. LeFevre, cousins of the bride, cut and served the cake. Pouring punch were Mrs. Hilliard Thomas; Mrs. Harold Wood of Port Arthur, cousin of the bride; and Mrs. Charles Hicks of Austin, who directed the wedding.

Included In Houseparty
Assisting in serving refreshments were Miss Mary Beard and Mrs. Douglas Beard, Hillsboro; Miss Harriet Bonnet, San Antonio; Mrs. T. S. Henderson, Jr., and Mrs. L. W. Stephens, Waco; Mrs. Everett Haley, Lufkin; Miss Effie Birdwell, Texas City; Miss Janice Wood, Port Arthur; Mrs. Bill Burns and Miss Jane Burns, Cameron, all cousins of the bride. Also assisting in serving were Miss Onesia Wittliff, Lufkin; Miss Ann Kittredge, Tulsa, Oklahoma; Mrs. Lewis McCarroll and Miss Ann McCarroll of Rusk; Miss Nancy Pruger, Taylor; Mrs. Charles Roy Law and daughters, Sandra and Debbie of Austin; Mrs. Charles Richards, Waco; Mrs. Tommy Uhr of Irving; Mrs. Dewey McElwath and Misses Lynn Lewis, Kay Camp and Nancy Baker of Cameron.

Others in the houseparty were Mrs. Boyd Wells of Austin; Mrs. J. C. Culppepper of College Station; Mrs. Hamilton Bonnet of San Antonio; Mrs. Ernest Beard of Hillsboro; and Mrs. J. C. Martin of Cameron, paternal aunts of the bride; Mrs. F. E. Harrison and Mrs. Walter L. Wood of Ft. Worth; and Mrs. E. W. LeFevre of Eden, maternal aunts of the bride; Mrs. Opal Roberson and Mrs. Wells Smith of Temple; Mrs. F. R. Kittredge of Tulsa, Oklahoma; and Mesdames George Graves, Winnie Wittliff, Roy Law, Emory Camp, Herbert Colburn, A. W. McCullin, W. A. Bonds, Clifton Jenness and Ernest Davis of Cameron.

The bride's going away suit was of toast colored Italian silk with satin trim. She wore a jeweled satin hat of the same color with matching shoes and bag. Her corsage was white rosebuds.

After a honeymoon trip to Mexico City and Acapulco, Mr. and Mrs. Killgore will be at home at 104B West 19th Street, Austin.

Miss Lesovsky, Thomas Ward Marry In Waco

Mrs. Frank S. Lesovsky announces the marriage of her daughter, Dorothy, to Mr. Thomas C. Ward on Saturday, July 26th at the Lake Shore Hills Presbyterian Church in Waco. The ceremony was performed by the Rev. Maurice Barrett, pastor.

For a number of years Miss Lesovsky has been Director of Civilian Personnel with the Air Force in Waco. Mr. Ward was formerly in business in Marlin and Waco.

The couple will reside in Los Angeles, California, where Mr. Ward is president of the Ward Surgical Specialty Co.

Thomas's Host Dinner Party

Mr. and Mrs. Hilliard Thomas were hosts for a dinner party honoring Miss Jane Henderson and Mr. Jack C. Killgore at their home August 6.

Following hors-d'oeuvres in the living room a full course broiled steak dinner was served on the terrace.

The 12 guests included the honorees, their parents, Mr. and Mrs. John Killgore of Rosebud and Mr. and Mrs. Tommy Uhr.

Terrel Prescott has accepted the job of school bus driver from Burlington to Rosebud.

Miss Charlotte Vickers of Roseburg visited relatives here and at Rosebud recently.

Miss Lizzie Dillon entered the St. Edward Hospital in Cameron Saturday.

Bridesmaids Lunch'n Fetes Attendants Of Miss Jane Henderson

A bridesmaids luncheon honored Miss Jane Henderson and members of her wedding party Saturday at the home of Mrs. Emory B. Camp.

Hostesses were Mrs. Albert W. McCullin, Mrs. Herbert Colburn, Mrs. Clifton Jenness and Mrs. Camp.

Guests were received by Mrs. Jenness and Mrs. Colburn and registered at the bride's book which was flanked by arrangements of cleomi.

Fruit punch was served in the game room by Miss Kay Camp. The honoree, her six bridesmaids and her sister-in-law, Mrs. John B. Henderson of Austin, were

seated in the dining room during the luncheon. Centering the dining table was a pottery wedding ring holding sweetheart roses and maidenhair fern. Four tables for four decorated with pink and white carnations were arranged in the living room for the other guests. Bride and groom placecards marked the places.

A salad plate with iced tea was served followed by a dessert course of strawberry meringue. The hostesses presented Miss Henderson with a pottery carafe and a corsage of white carnations.

For The Record

Milam Due Credit For
First Bale Of Cotton

By J. D. Moore, County Agent

Just to keep the records straight, Milam county should be credited with the first bale of cotton ginned in Rosebud on August 1st by C. S. Robbins of the Clarkson community. A neighboring publication of considerable circulation credited Falls county with this bale.

For the past several years Milam county's first bale has been produced in the Briary community and ginned at Rosebud, with Falls county credited with the first bale. This is no criticism of those carrying their first bale to Rosebud since a premium of \$100 is offered there for the first bale of cotton.

Cameron discontinued paying this premium several years ago when a county cotton growing contest was set-up with a nice cash prize offered for 1st and 2nd place winners. The Crops and Conservation committee felt that this program had more merit since the cash prize for the first bale is in no way related to good farming practices.

The premium for the first bale of cotton dates back to the days when cotton was the "King" of the cash crops in cotton producing counties. Bankers and merchants financed most cotton farmers for the entire 12 months and waited until the cotton harvest for their money. Most towns in those days looked forward with much antici-

pation to the early arrival of the first bale. Through their eagerness, this practice was started.

Times Have Changed

This year the maize crop surpasses the cotton crop in productive value. The maize acreage in Milam county almost doubles that of cotton and the net return on the maize crop is much better than cotton.

ASC Election

Farmers are urged to participate in the community elections to select committeemen for the county ASC program. The date of the election will be announced next week. The community committeemen select the farm practices for the county ASC program. Milam county farmers have made good selections in the past. This accounts for a good program well administered throughout the county.

4-H Club Records

Mr. Hoermann and Mrs. Hughes are to be congratulated on their work with 4-H Club members this week in preparing 4-H records. Valuable awards programs are based on 4-H club records. A number of good 4-H club record books will compete for honors and awards in district competition in October. Younger 4-H Club members are urged to start their records and keep them up to date each year in order to compete for honors and awards.

"Hey! How come this refrigerator we got in the Want Ads has a lock on the door?"

A. N. Green Honored
On 84th Birthday

A. N. Green was honored on his 84th birthday last Sunday by his daughters, Mrs. A. J. Montgomery of Oklahoma City, Oklahoma, and Miss Louise Green of Los Angeles, California.

Sharing the limelight for the day was Mrs. Green's great granddaughter, Sarah Morarity, who celebrated her first birthday.

Special guests at the birthday celebration were Mr. Green's brothers: Mr. and Mrs. John C. Green of Rosebud; Mr. and Mrs. E. E. Green and daughters, Ernestine of Rosebud, and Mrs. William Bailey of Tulsa, Oklahoma; Mr. and Mrs. Leslie Green of Lubbock; and Mr. and Mrs. Leland Green, Sr., Cameron.

Weather Conditions

Favor Maize Harvest,
Mature Cotton Crop

Maize is being harvested this week under excellent dry weather conditions, according to county agent J. D. Moore. Cotton crop is also maturing rapidly under the high temperatures with a few open bolls noted in most fields.

Moore predicted that the cotton harvest would not start until the latter part of August, however, Milam's first bale was harvested August 1 in the Clarkson community.

Moore reported that the grain sorghum harvest was in full swing with good yields reported. Corn harvest will be delayed until late this month and the first of September.

Funeral Services

Held Sunday For

Gus Pimpler, 75

Funeral services were held at 3 p.m. Sunday for Gus Pimpler, 75, a resident of the Ben Arnold community.

The Rev. Gerald Cobb conducted the services at the United Evangelical and Reform Church in Ben Arnold, Burial was in the Ben Arnold Cemetery.

Mr. Pimpler died Saturday at 3 a.m. He was born in Germany July 18, 1883, and at the time of his death was a retired farmer.

Survivors include his wife, Mrs. Gus Pimpler of Ben Arnold; two sons, Raymond of Ben Arnold and Edmund of Cameron; two daughters, Mrs. W. F. Boecker of Temple and Mrs. Raymond Barker of Ben Arnold; a sister, Mrs. Bertha Isleib of Beasley; ten grandchildren and two great-grandchildren.

Pallbearers were Edgar Sitz, Walter Scherer, George Isleib, Roy Elbel, Leslie Sitz, and David Sitz.

County 4-H's
Prepare Records
For Competition

By Robert W. Hoermann
Ass't County Agent

Milam county 4-H Club members worked on their 4-H Club records the week of August 4-8. A good turn out of members came to the county agents office from Buckholts, Thordale, and Cameron.

Beef calves owned by the club members are doing fine. Members are reminded that corn, oats and barley used in the right amount will give the calves a firm finish.

Too much oats will give the animal a soft finish, and a lot of corn will make the calf patchy and hard.

Jeannette Richter of Cameron says, "Washing and brushing the calf will help develop a good coat of hair with a soft handle."

Use rotenone as a dip, spray or dust to control grubs. Apply 5 percent toxaphene or methoxychlor as a spray or dip to control horn flies.

To effectively control lice on swine, use lindane or toxaphene. Removal of the lice are necessary in fitting swine for shows as well as pork production. Owners of Sears gilts, Farm Bureau gilts, and the Sears boar, are reminded that the Swine Show is only a month away. The show will be

held September 6, at the Auction Joe Walzel, 4-H member from the Salem Community, said that pastures are getting dry and protein supplement will be needed to develop breeding animals. He is the owner of a Shorthorn heifer he won at the Houston Show in 1957, in the livestock judging contest. Milam county's annual 4-H calf tour will be held Tuesday, August 19. Those planning to participate in the tour will meet at the Post Office in Cameron at 8 a.m.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON
AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

HJR #31—Number Four on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

HOUSE JOINT RESOLUTION NO. 31 proposing an Amendment to the Constitution of Texas to provide that all county officials for whom four-year terms of office were authorized in 1954 must resign such office prior to announcing for a different office within more than one (1) year remains unrevoked of the term for which they were elected, and providing for the filling of such vacancies in the manner now provided by law.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Section 45 of Article 16 of the Constitution of the State of Texas is hereby amended so as hereafter to read as follows:

"Section 45. STAGGERED TERMS OF OFFICE.—The following officers elected at the General Election in November, 1954, and thereafter, shall serve for the full terms provided in this Constitution:

(a) District Clerks; (b) County Clerks; (c) County Judges; (d) Judges of County Courts at Law; County Criminal Courts, County Probate Courts and County Domestic Relations Courts; (e) County Treasurers; (f) Criminal District Attorneys; (g) County Surveyors; (h) Inspectors of Hides and Animals; (i) County Commissioners for Precincts Two and Four; (j) Justices of the Peace.

"Notwithstanding other provisions of this Constitution, the following officers elected at the General Election in November, 1954, shall serve only for terms of two (2) years: (a) Sheriff; (b) Assessors and Collectors of Taxes; (c) District Attorneys; (d) County Attorneys; (e) Public Weighers; (f) County Commissioners for Precincts One and Three; (g) Constables. At subsequent elections, such officers shall be elected for the full terms provided in this Constitution.

"In any district, county or precinct where any of the aforementioned offices is of such nature that two (2) or more persons hold such office, with the result that candidates file for 'Place No. 1,' 'Place No. 2,' etc., the officers

selected at the General Election in November, 1954, shall serve for a term of two (2) years if the designation of their office is an uneven number, and for a term of four (4) years if the designation of their office is an even number. Thereafter, all such officers shall be elected for the terms provided in this Constitution.

"Provided, however, if any of the officers named herein shall announce their candidacy, or shall in fact become a candidate, in any General, Special or Primary Election, for any office of profit or trust under the laws of this State or the United States other than the office then held, at any time when the unexpired term of the office then held shall exceed one (1) year, such announcement or such candidacy shall constitute an automatic resignation of the office then held, and the vacancy thereby created shall be filled pursuant to law in the same manner as other vacancies for such offices are filled."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing that any District, County, or Precinct official serving a four-year term must resign before announcing for a different office if there remains unexpired more than one (1) year of the term for which he was elected."

"AGAINST the Constitutional Amendment providing that any District, County, or Precinct official serving a four-year term must resign before announcing for a different office if there remains unexpired more than one (1) year of the term for which he was elected."

If it appears from the returns of said election that a majority of the votes have been cast in favor of said Amendment, same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election herein provided for and shall cause this proposed Amendment to be published in the manner required by law and shall cause said election to be held as required by the Constitution and laws of this State.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON
AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

SJR #6—Number Two on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

SENATE JOINT RESOLUTION NO. 6 proposing an Amendment to Subsection (b) of Section 62 of Article XVI of the Constitution of Texas, authorizing each county to provide retirement, disability and death benefits for appointive officers and employees of the county or precinct, or for appointive and elective officers and employees of the county or precinct; providing for the submission of the proposed amendment to the voters qualified to vote thereon, and providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Subsection (b) of Section 62 of Article XVI of the Constitution of Texas be amended so as to read hereafter as follows:

"(b) Each county shall have the right to provide for and administer a Retirement, Disability and Death Compensation Fund for the appointive officers and employees of the county or precinct, or for the appointive and elective officers and employees of the county or precinct, provided same is authorized by a majority vote of the qualified voters of such county and after such election has been advertised by being published in at least one newspaper of general circulation in said county once each week for four consecutive weeks; provided that the amount contributed by the county to such fund shall at least equal the amount paid for the same purpose from the income of each such person and shall not exceed at any time seven and one-half per centum (7½%) of the compensation paid to each such person by the county."

"All funds provided from the compensation of each such person, or by the county, for such Retirement, Disability and Death Compensation Fund, as are received by the county, shall be invested in bonds of the United States, the State of Texas, or counties or cities of this state, or in bonds issued by any agency of the United States government, the payment of the principal of and interest on which is

guaranteed by the United States, provided that sufficient amount of said funds shall be kept on hand to meet the immediate payment of the amount likely to become due each year out of said fund, such amount of funds to be kept on hand to be determined by the agency which may be provided by law to administer said fund; and provided that the recipients of benefits from said fund shall not be eligible for any other pension retirement funds or direct aid from the State of Texas, unless the fund, the creation of which is provided for herein, contributed by the county, is released to the State of Texas as a condition to receiving such other pension aid."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the General Election in November, 1958, at which election each ballot shall have printed thereon the following words:

"FOR the amendment of subsection (b) of Section 62 of Article XVI of the Constitution, to authorize each county to establish, after approval by its voters, a retirement, disability and death compensation fund covering the appointive officers of the county or precinct, as well as the appointive officers and employees of the county or precinct."

"AGAINST the amendment of subsection (b) of Section 62 of Article XVI of the Constitution, to authorize each county to establish, after approval by its voters, a retirement, disability and death compensation fund covering the appointive officers of the county or precinct, as well as the appointive officers and employees of the county or precinct."

"Each voter shall mark one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter may vote on such machine for or against the Constitutional Amendment."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have notice of said proposed amendment and of said section published as required by the Constitution of Texas and laws of this state.

TEXAS CHAMPIONS OF FREEDOM

JAMES BOWIE

Defender of Lone Star Liberty

Like so many heroes of Texas legends, Jim Bowie was no peaceable homebody. He was born for adventure, and lived to write his name indelibly in Texas history, as one of the defenders of the Alamo.

He came to Texas in 1828, trailed by tall tales of derring-do... duels... smuggling forays with pirate Jean Lafitte... free-wheeling speculations in lands... riding alligators. In Texas the Spanish legends grew... his long hair... Spanish mine... a Colonel of Texas Rangers... Indian fights... marriage to a high-born Mexican girl and her tragic death.

But when the critical hour of Texas independence came, Jim Bowie was on hand... as a leader at the battle of Concepcion, the Grass Fight, the siege of Bexar. And when Wm. B. Travis

reached the Alamo with the regular army troops he found Jim Bowie commanding the volunteers. Together these two champions of freedom in Texas faced Santa Anna's final charge on March 6, 1836.

Today Texans still demand and get their right to choose the way they want to live. In this vigorous and freedom-minded homeland... "Beer Belongs" and this is why the United States Brewers Foundation works constantly, in conjunction with brewers, wholesalers and retailers to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interests of Texans, the Foundation stresses close cooperation with the Armed Forces, law enforcement and governing officials in its continuing Self-Regulation program.

**CONSTITUTIONAL AMENDMENT TO BE VOTED ON
AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.**

SJR #3—Number Nine on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

SENATE JOINT RESOLUTION NO. 3 proposing an Amendment to Article IX of the Constitution of the State of Texas, by adding thereto a new section to be known as Section 6, to provide that the Legislature may authorize the creation of a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas, authorizing the County of Potter to render financial aid to and participate in the operation of such Hospital District, authorizing the Commissioners Court of said county to assess and levy taxes on property outside the incorporated limits of such city; further authorizing a countywide Hospital District for Wichita County, Texas, and authorizing the creation of two districts in Jefferson County; and further providing that any enabling Acts shall not, in whole or in part, be subject to a referendum, and that any such enabling Acts shall not, in whole or in part, be subject to a referendum.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas is hereby amended by adding thereto another section to be designated as Section 6, which shall read as follows:

"Section 6. (a) The Legislature may by law authorize the creation of a hospital district, one to be coextensive with and have the same boundaries as the incorporated City of Amarillo, Texas, and authorizing the County of Potter to render financial aid to and participate in the operation of such Hospital District, authorizing the Commissioners Court of said county to assess and levy taxes on property outside the incorporated limits of such city; further authorizing a countywide Hospital District for Wichita County, Texas, and authorizing the creation of two districts in Jefferson County; and further providing that any enabling Acts shall not, in whole or in part, be subject to a referendum, and that any such enabling Acts shall not, in whole or in part, be subject to a referendum.

"If such district or districts are created, they may be authorized to levy a tax not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars (\$100.00) valuation of taxable property within the district; provided, however, no tax may be levied until approved by a majority vote of the participating resident qualified property taxpayers voters who have duly rendered their property for taxation. The maximum rate of tax may be changed at subsequent elections so long as obligations are not impaired, and not to exceed the maximum limit of Seventy-five Cents (75¢) per One Hundred Dollars (\$100.00) valuation, and no election shall be required by subsequent changes in the boundaries of the City of Amarillo.

"If such tax is authorized, no political subdivision or municipality within or having the same boundaries as the district may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities, but the district shall be re-

such bonds be issued or such tax levied until approved by such voters. "The district shall not have the power to levy any tax for maintenance or operation of the hospital or facilities, but shall contract with other political subdivisions of the state or private individuals, associations, or corporations for such purposes.

"If the district hereinabove authorized is finally created, no other hospital district may be created embracing any part of the territory within its boundaries, but the Legislature by law may authorize the creation of a hospital district incorporating therein the remainder of Jefferson County, having the powers and duties and with the limitations presently provided by Article IX, Section 4, of the Constitution of Texas, except that such district shall be confirmed at an election wherein the resident qualified property taxpayers voters who have duly rendered their property within such proposed district for taxation on the county rolls, shall be authorized to vote. A majority of those participating in the election voting in favor of the district shall be necessary for its confirmation and for bonds to be issued.

"(d) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be invalid because of their anticipatory character.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at the general election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon:

"FOR the constitutional amendment authorizing the Legislature to create a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas, and authorizing Potter County to render financial aid to and participate in the operation of said Hospital District, and further authorizing the Legislature to create a countywide Hospital District in Wichita County, Texas, and Hospital Districts in Jefferson County, Texas."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the constitution and laws of this state.

Tom Murray's Column

IT HAD TO HAPPEN. Dallasites are jealous of Fort Worth. But that is a mild pique compared with the burn folks up there are experiencing since Harris Countians voted stadium bonds designed to entice major league baseball and football to the Golden Gulf Coast.

Jere Hayes, veteran sports editor of the Times-Herald, scolded Houstonians in a raspy column. After all, Dallas does not have a major diamond club. And as any proper Big D'er realizes, that means Houston must wait.

"Those Houstonians seem to think," the column opened in effect, "that just because they voted the bond issue to build a stadium, major league baseball is just around the corner. But they've got another thing coming."

The usually mild-mannered Hayes seemed rather upset. He even delved into legal aspects of the Harris County vote, predicting no right-thinking company would purchase the bonds.

So provoked was he, Dallas' never-nevers skeptic, the ill-fated professional football Texans, was hauled into the limelight. If pro football did not catch on in Dallas, was it going to flourish in an overgrown boom-town just two jumps from the Gulf?

Houston's ambition to add major league baseball and professional football to its solid stature in collegiate football and pro boxing, at last report, had not been dampened noticeably by wind out of Texas second largest city.

RALPH PARR, talented young San Marcos's Record writer, did an excellent feature on George Carlisle, Clear Creek's basketball wizard out of Southwest Texas State. A packed house at Rice Field House had a good vie of Carlisle, piloting the South Texas all-stars. At least one Southwest Conference football coaching combine is unhappy with its administration. . . . Charlie Shira, Texas 'man-mountain defensive coach, talking about recruiting catches:

"I wouldn't trade the backs we got for anybody's." . . . TCU may be on the verge of its first national championship since Davey O'Brien and Ki Aldrich led the 1938 crew. Abe Martin, never a shrinking violet, informs: "We will have the best 33 men I ever saw at TCU this fall!" . . . Seems strange for Gaena Park to be chosen South Texas' leading school boy football hope. But Paul Smith has the horses. The days of Baytown and Pasadena dominance are apparently gone with Galena and Spring Branch coming on like a loose freight. . . . If Jerry Cook can deliver as his potential forecasts, the big halfback will move Texas' busiest recruiting address from Pasadena, where TCU plucked Bert Coan. . . . Whosis the best running back you ever saw in Texas schoolboy football? Our pick would have to be Coan, with Freeport's Gene Shannon, El Campo Glenn Lippman and Barbers Hill's Gordon Speer on his heels. The best lineman? That's difficult too. Baytown Center Bill Laughlin, now a Sophomore at Texas, shades Mickey Spencer, Pasadena guard of 1944-45-46, and Angleton End Larry Stephens. . . . Wendell Swann, former North Texas end and Jeff Davis basketball, prepares to tune his Lockhart Lion gridders. . . . Lewis Ford, successful Port Neches coach who checked in his gear, quit while his health would allow. . . . Texas lost two potentially great gridders, End Monte Lee and Halfback Ray Bayton, Sugar Land, over two measly grade points. Each passed but lacked one GP being eligible. Libertyites are anxious for the Southwest Conference to get on with it. They await Billy Pavliska's expected explosion as a Baylor halfback. . . . One fellow who looks the part is Newton's Clarke Heironimus. The strapping ex-Baylor tackle is capable of doing anything he asks of his football players.

YHS Football Review . . .

'57 Standouts Win Scholarships

By Robert Mann
HERALD Sports Editor

With summer coming to a close and YHS officials awaiting the return of several hundred students, football is again on the Yoe campus horizon.

The Yoemen have stepped down a notch to AA class and will begin regular workouts before school opens September 2.

Even though a new lineup will appear this year, it will be hard

to forget the boys who played such good ball last year. They were so good, in fact, that six Yoemen have accepted college scholarships to Texas schools.

The most talked-about Yoeman in years is Guy Dillon, Cameron's all-state fullback who was offered many scholarships before selecting Texas A&M, College Station.

Dillon Rates High
Dillon has been considered one of Texas' most outstanding de-

fensive and offensive fullbacks in three gridiron years at YHS. He now weighs 175 pounds, a drop of 20 pounds since his junior year when he received honorable all-state mention. Dillon will major in physical education at A&M.

Gene Hillman was Cameron's heaviest player, weighing in at 205 pounds last year in making all-district tackle. And he was an equally great defensive tackle. Hillman received a scholarship to Baylor University. He also played all-district basketball last year.

Ray Green was the veteran of Cameron's line last year and was another all-district player. He played offensive and defensive end and was touted for leadership ability. Green says he is planning to study medicine at Southern Methodist University, Dallas, on a scholarship.

Herbert Marek, Warren Rinn and

Bobby Elliott handled the remaining backfield chores last fall and will continue their quest for gridiron glory at Texas junior colleges.

Marek was regular left halfback and lettered two years. He was fast and capable of the break away run. He will attend Arlington Junior College where he believes he will make the squad his first year despite keen competition at the Junior Rose Bowl championship school. He also plans to run track at the North Texas college.

Two Head For Delmar
Rinn and Elliott have received scholarships to Delmar Junior College. Rinn was an all-district halfback for two years and the

fastest back on the Yoeman squad last fall. He has gained 10 pounds to 160.

Elliott was regular Yoeman quarterback for two years and last fall was named "back of the week" by the Waco News-Tribune. He displayed ability in play selection and played primarily on offense.

Both boys indicated this week that coaches at Delmar were counting on them to make regular their first season. They will major in physical education, planning a career in coaching.

It was reported that Sidney Koranek and Paul Hoelscher, Yoemen gridders last year, will try out for the Delmar squad.

To JP Precinct 1 Voters

I wish to thank all my friends for their votes and support in the July 26 Primary and solicit their votes in the August 23 Primary. I pledge each of you fair and honest administration of the office with diligent attention to its duties. Your vote and support will be sincerely appreciated.

Siebman Notes REA-Utility Developments In Rotary Talk

Texas Power & Light Company has a long record of cooperation with REA electric co-operatives, the Rotary Club was told in Cameron July 6.

Henry Siebman, district manager of TP&L said, however, the company opposes any effort on the part of the Co-ops, whose capital needs are provided by the national taxpayers, to alter the original purpose of the REA and to serve incorporated towns in competition with private companies.

Siebman used a series of charts to illustrate his talk. In 1957 the Texas Legislature passed a bill which stated in part that an REA Co-operative may continue to serve a residence in an area annexed to a town with the consent of the municipality. Siebman explained. He added that some of the Co-operatives felt the bill should have gone farther so that Co-operatives should have the right to expand their service in incorporated cities.

"Spokesmen for the rural electric co-operatives have declared they plan to continue to work for legislation more favorable to their newest aims," Siebman said.

He added that the original concept of the REA did not include service to incorporated towns in competition with private utilities. "While the co-ops ask for equal rights with the commercial power companies, are they willing to share equal obligations and compete under the same set of rules?" he asked the audience.

It was stated in the Texas Co-op Power News this year that for co-operatives to survive it is necessary that the Texas Legislature enact laws which will enable the electric co-operatives to operate on an equal basis with the power companies, he said.

Siebman said the 76 rural electric co-operatives in Texas in 1956 paid a total of \$490,718 in taxes or about 1½ cents of each dollar of
